FROM THE DESK OF THE DISTRICT DEPUTY GRAND MASTER

Masonry is "Alive & Well" in Toronto East, a majority of lodges are dealing with many new candidates and are revising their Trestle Boards to accommodate the initiations as well as Passing & Raising their new members. It is important that Masters have a schedule for initiating these approved applicants and follow up to insure they are received and processed as well as being ready for their FC and MM degrees.

It is more important that each new member be assigned a Mentor who will sit beside him in Lodge and guide and instruct him, answers his questions and make him comfortable.

If you do not have a program in place for Masonic education, you should create one now and as you have seen from the short papers recently delivered by our District Education coordinator V.W.Bro. Leyland Muss, your new members are looking for this information.

This is a busy time within our District, with ChiP programs scheduled and I hope you will all volunteer to assist those lodges. This is a most important Public Awareness event and a source of finding new members when coupled with the Open door events.

Canadian Blood Services have announced now that persons over 62 years may now donate, with those restrictions being lifted I hope we will see many more Masons visiting our Clinics.

We have 6 more Official Visits this month, Our Divine Service, Habitat for Humanity Build and our District Meeting an EMS instruction clinic and an EA breakfast, these latter two at Brougham Union, in all a busy month. I hope you will attend and support.

There is now the Brand New revised 2010 Book of the Installation Ceremony, now with large print, spiral bound, revised and important points in italics. Get one for \$5.00 if you going to be the installing Master or on any boards.

I note in my travels that there are still some old "Black Books" being used, please throw them out and get the latest edition. They are not only easy to read and use but have all the latest ritual.

My committee on AWARDS have distributed the packages for you to recommend worthy brethren lodges and others. We have many members who deserve recognition and you must get these to the committee no later than mid month, when the decisions will be made. Please give this you attention Worshipful Masters.

See you all in Lodge!
