FROM THE DESK OF THE DISTRICT DEPUTY GRAND MASTER

*"I am a Canadian, free to speak without fear, free to worship in my own way, free to stand for what I think right, free to oppose what I believe wrong, or free to choose those who shall govern my country."
former Prime Minister John Diefenbaker*

Brethren of Toronto East District, this month marks the 95th anniversary of the end of WW I on November 11, 1918. The War to end all Wars. If only that were true. How little we learned from The Great War. Since then, we have sent our soldiers to numerous conflicts throughout the world, and our Canadian men and woman have served our country with pride and honour, and fought that we may have the freedoms referred to by Prime Minister Diefenbaker.

Over the last several years, there has been a resurgence of outward support for our returning soldiers. We treat them as the hero's they in fact are. This time of year, as Canadians, we turn our attention to those brave men and woman who did not return home. Who made the ultimate sacrifice that you and I can meet as Mason's and live free.

Many Brethren of this District have sacrificed for us over the years. Some have returned home, and some have not. To the brethren of The Craft in general and of This District in particular, I thank you with all my being for your sacrifice. You may not have sacrificed your life, but you sacrificed something almost as precious; time with your family and friends. You risked your lives that we may live ours in peace and harmony. You are heroes and may you hold your head high for you have earned our respect and undying gratitude.

As Mason's we participate in various services to pay our respects to our fallen. I believe as citizens of this country it is our **DUTY** to attend these services. I urge you all to attend one of the three services that Toronto East District supports in Scarborough, Markham or Claremont.

While we do well to honour the memory of our fallen, we often forget those that served years ago and returned home. Many veterans live a life of solitude, and some in conditions we would shudder at. Spend time to remember them. Get to know them, spend time with them or write to them. There are many programs out there designed to match Canadians with veterans. We all can find time to have a coffee or write a letter reminding them that they matter and what they did for us matters.

*They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.*

May the GAOTU guard you and them as they continue to guard our walls of freedom. I pray to him that no more will have to make that sacrifice.

Sincerely & Fraternaly,

R. W. Bro. David J. Neave

DISTRICT EVENTS

Toronto East District Charity The Mikey Network

The Mikey Network is an agency that works to outfit public places with Automated External Defibrillator's (AED). As many of you know, the District Deputy Grand Master works closely with AED's both in an operational way and in an instructional way. The approach to the project will be two fold. There will obviously some fundraising aspects, but the District Deputy Grand Master will also include a fair amount of education on AED's / CPR and cardiovascular disease emergencies. The District Deputy Grand Master believes that the education we get in Lodge should not just be of a Masonic nature, but anything that "makes good men better." Watch for several initiatives over the coming weeks and months.
