FROM THE DESK OF THE DISTRICT DEPUTY GRAND MASTER

Brethren of Toronto East District:

This incredible summer just keeps on going. I hope that you and your families have been able to enjoy this warm weather with family and friends. And, as we celebrate Labour Day this month, I hope that you are getting ready to resume "your work in the quarry".

Our lodges are preparing to continue with their labours and three Masters-Elect are eagerly awaiting their Installations in September. I wish them and their teams a wonderful Masonic journey this year and extend my thanks to all those who have worked so hard this past year on behalf of their brethren. I would especially like to thank the Senior Wardens' Group, The Stonecutters, led by Bro. Michael Morris, for the wonderful time on August 25th at the Annual SW Corn Roast and BBQ held at WindReach Farm. Food, fun and friendship were the order of the day...well done!! A healthy donation to the Farm was well-received. It was good to see a few of The Ancients, our new SW Group, taking notes!!

In addition to our Masonic "work" let's also remember to make time for fun. There are three Receptions planned for this month and two in October. These will honour the brethren of Toronto East District who have been elected or appointed as Grand Lodge Officers. Please try to attend as many as you can to show your support for your brethren in your District. While you're at it you will be expanding your Masonic network and enjoying some "social mirth" at the same time.

The Fall District Meeting is scheduled to be held at the East Toronto Masonic Temple (Chisholm Avenue) on Saturday, September 22nd from 9:00 a.m. to noon. *All members of the District are invited.* While the District's Trestle Board contains many dates and activities, space limitations don't allow for details. Come out on the 22nd to learn more about our District Charity and many of the planned District events and programs - both old and new. And, volunteers to enhance success are always welcome!!

Another date of interest is the District Lodge of Instruction at the Doric Pickering Masonic Hall in Ajax on Friday, September 28th starting at 7:30pm. I extend my sincere thanks to the WM and Members of Birch Cliff Lodge for hosting this educational evening. The topics will include Mentoring, Protocol & Etiquette and the Cornerstone Project. Time to socialize and renew acquaintances will also be part of the night's agenda.

Elsewhere you will find listings of all of these dates and more. I urge you to keep your planners current throughout the coming Masonic year to avoid disappointment from missing an interesting event.

For prospective D.D.G.M.'s, the required correspondence course has been revised. With the same content, the number of modules has changed from 3 to 11, perhaps requiring more time for the submission/response cycle. Please register early to avoid the need to rush through it.

Finally, let's remember that it takes a good number of Masons and their families to make, and keep, our Lodges strong and vibrant. While good planning is paramount for success, so, too, is good execution by a dedicated team of competent and willing members. How's the team in your Lodge doing? Are you actively participating in your Lodge; in your District? How can you help to make things even better? Be an active Mason...like many things in life, the more you put in the more you get out!

May the G.A.O.T.U. keep you safe and help us all to remain true to our obligations.

Sincerely and fraternally,

Bruce N. Palanik

We will be continuing the Saturday Morning classes at the East Toronto Masonic Temple on Chisholm Ave., with six Fall sessions and six Winter sessions during the 2012/2013 Masonic Year. This course is sponsored by Todmorden Lodge #647 and is graciously aided by the East Toronto Masonic Temple Board.

The Facilitators this year will be Bob Steenson and Dennis Rankin. We will meet in the banquet hall for our wake-me up cuppa joe and selected health food items between 8:30 & 9:00 a.m. We will request a donation to offset the costs for the refreshments.

The classes will start at 9:00 a.m. and go until approximately noonish. It is designed for all Masons, from seasoned Master Mason to the newest Entered Apprentice. Our intent is to get each participant as comfortable with the work of the ritual as we can. We will be employing the latest black book of the Work. At present it is the 2012 version.
